

The UK

General

Election

7 May 2015

What things are being talked about or promised:

National Health Service:

how good will our hospitals be, how quickly can you see a doctor or a consultant, the cost of treatment.

Education:

Guaranteeing education funding from nursery to 19 years old and qualified teachers in every class.

Public Finances:

How can central government expenditure be cut with out losing too many central and local services?

Unemployment:

Today the unemployment official figures show that employment is increasing but what about the quality of that increased employment?

Affordable Housing

How can the next government make it possible to buy houses at an affordable price?

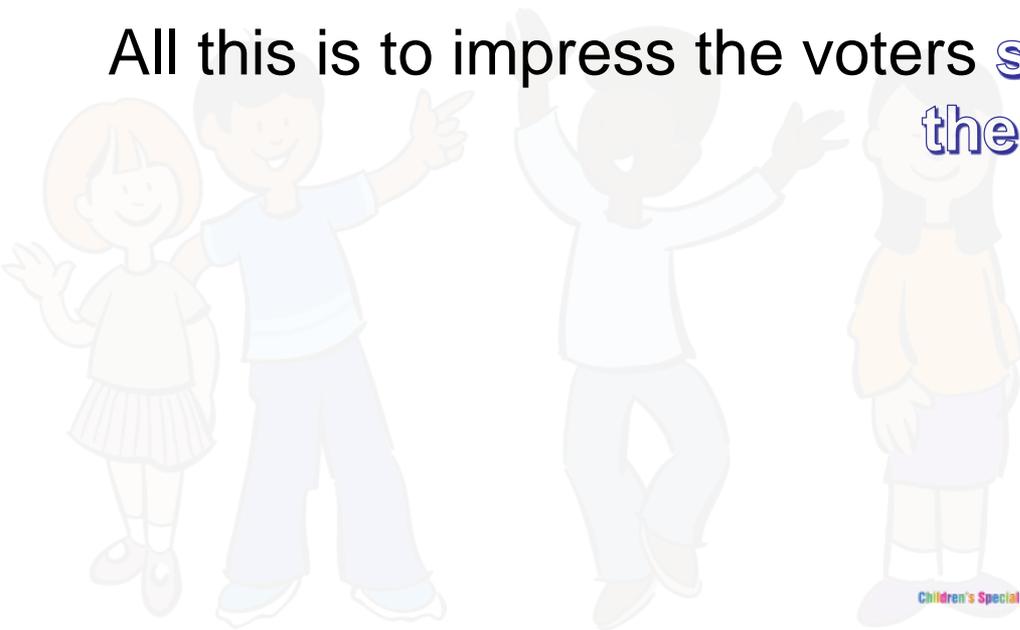

Tax: covers a lot of areas and some rich seem to have loopholes.

There Has Been a Number of Public Debates.

Leaders have been interviewed. Some seem have done well and others not so well.

Occasionally then leaders have talked with, or perhaps to or even shouted at each other.

All this is to impress the voters so that the voters will vote for them.

Their manifestos cover a lot of things, **from the cradle to the grave**, but what things are missing?

What should they be aiming for?

They are not getting to the root of
society's problems.

They are aiming for a so called better
Britain but without better Britains.

None of them are considering, let alone offering answers to, the
problem of **sin**.

Until **sin** is recognized, and an answer found for it, you will not
genuinely solve society's problems.

The Bible says "**all have sinned**" to awaken us to the problem.

But when you have awoken to the truth of sin you **need a
person with truth to be able to solve the problem of our sin.**

There is only one Person Who not has the truth but is the truth.

The Lord Jesus said, "Jesus saith unto him, **I am** the way, **the
truth**, and the life: no man cometh unto the Father, but by me."

(John 14v6) He alone has meant everything that He said and
can bring about change in people.

Politicians do not always have
the resources to fulfil their
promises.

“For I am not ashamed of the gospel of **Christ**:
for it **is the power of God** unto salvation to
every one that believeth.” (Romans 1v16)

Because the Lord Jesus is the Son of God
(John 3v18) and God has total confidence in
Him (John 13v3), and He is therefore the
exhaustless power and riches of God for us.
God can fulfil the riches of His good pleasure
through Christ. God wants to make you better
so that you can live better.

Politicians cannot guarantee a
“ good future.

Who are kept by the power of God through faith
unto salvation.” (1Peter 1v5)

“That they may receive forgiveness of sins”
(Acts 26v18)

“And, having made peace through the blood of
his cross.” (Colossians 1v20)

**The gift of God is eternal life through Jesus
Christ our Lord.”** (Romans 6v23)

“Who (Lord Jesus) shall change our vile body,
that it may be fashioned like unto his glorious
body.” (Philippians 3v21)

Politicians say, “Believe in our policies” but the Lord Jesus said “Believe in Me and I will make you better than what you could ever be yourself.”

“And Jesus said unto them, I am the bread of life: he that comes to me shall never hunger; and he that believes on me shall never thirst.” (John 6v35)

**“Believe on the Lord Jesus Christ, and you shall be saved.”
(Acts 16v31)**
