2016 GOSPEL CALENDARS
AVAILABLE TO ORDER NOW!

The Beauty of His World[®] 2016

We are happy to present the 2016 editions of The Beauty of His World[®] Gospel Calendars. The annual distribution of Scripture Calendars around the Christmas and New Year period each year is so beneficial to the gospel outreach effort, and a great way to introduce God's Word into homes that may not have any access to a Bible.

The **A4 Standard Edition** features stunning natural landscapes from around the UK and Ireland, easy to read scripture verses, and a large month-to-view calendar with plenty of room for notes. The cover can even be overprinted with details of your assembly.

These calendars cost only **24p each** (including VAT) for blank editions, and there is no minimum order when not availing of our overprinting service. More details can be found overleaf. We also offer the option to individually wrap each calendar in a protective plastic bag.

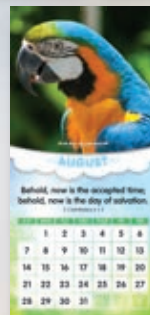

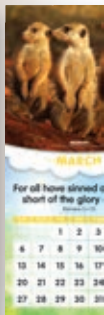

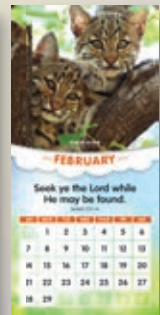

The **2016 Children's Edition** is a brightly coloured, easy to read calendar with short memorable scripture verses and adorable wildlife certain to grab attention. The Children's Edition does not have an overprinting option, but does feature a prominent spot for address labels or assembly stamps. These calendars are priced at just **28p each** (including VAT).

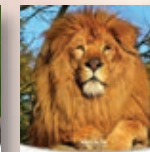

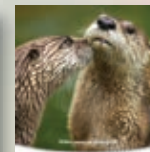

If you need your calendars delivered or posted, an additional charge may be applicable. More details on delivery can be found on the reverse. Blank calendars are available for immediate dispatch, whilst overprinting orders will be processed after the closing date.

If you would like to order calendars for 2016 please complete the form attached. If you would like further information or have any queries, please do not hesitate to contact me on 07753 824255 or (028) 2563 0603.

Overprinting Option

As usual we also offer an overprinting option, allowing you to personalise the front cover of your calendars with a message or details of your assembly. Our overprinting costs remain the same as last year at **£100.00**, with a **minimum order of 1000** calendars.

Closing date for overprinting orders is Friday 30th October 2015

Overprinting orders will be dispatched in mid-November.

If you would like your calendar personalised, you can complete the overprinting section on the attached order form, or send us an e-mail attachment (PDF, Word or most image formats) to print directly.

Sealed Bag Option

Our sealed polythene bag option was very popular last year and we're delighted to offer it again in 2016. Each calendar is individually wrapped in a light, clear plastic, protecting it from dirt and the rain. A great idea for doorstep deliveries, this service only costs an additional **6p** per calendar, with a **minimum order of 1000** calendars.

Delivery Charges

We work with a team of dedicated couriers to provide a delivery across the UK and Ireland. Collection is also welcomed by prior arrangement.

Deliveries are calculated on a per-box basis, see the table opposite for prices. If you are ordering more than one type of calendar, remember to combine the two totals to arrive at your delivery price band.

Deliveries to outlying areas or express deliveries will be liable for additional charge. Please call us for more details.
